

500 Series KAPAK® by ProAmpac

4.5 Mil high barrier, crystal clear three side seal, heat sealable polyester pouches. ProAmpac offers you the most durable premade three side seal pouches in the industry. Features include strong 3/8" seals.

Pouches are leak proof, microwaveable, boilable and freezable. High barrier pouches help eliminate cross contamination of dangerous substances.

Typical Applications

- > Medical/Specimen Storage
- > Evidence Protection
- > Industrial
- > Food Preservation
- > Veterinarian
- > Health & Beauty
